This huge flat offers over 1100 square feet of living space and would make the ideal home for a small family or two professional sharers. Accommodation comprises spacious hallway leading through to separate kitchen with plenty of storage and integrated appliances, two large double bedrooms, both with an abundance of built in cupboards and two bathrooms (one en suite). The apartment also benefits from a secluded study area which would make the ideal home office with built in desk and storage. The whole apartment is neutrally decorated throughout and has lovely wooden floors in the living spaces. A major benefit of this apartment is the fact it is so peaceful, with access to the communal gardens at the centre of the square.

Bramham Gardens is a wonderful location, within two minutes' walk of Earls Court tube station (serving District and Piccadilly Lines) and also easy access to the A4 out to Heathrow and the West.
